`electricnet is one of our
most innovative
deviants. From
developing extremely
useful and well thought
out browser scripts
(such as superdAmn), to
founding the incredibly
resourceful group
#iterators, Andy has
proven to be someone
who always seeks to
enhance the community
experience. In addition to
his personal
contributions, Andy
recently worked in our UI
team where he put his
creative talents to
further good use. Always
willing to lend a helping
hand and participate in
community events,
`electricnet is long
overdue for Deviousness
